Almost here
apparently.

What's the
name again?

Han
Dong-Gun.

We call him
"Handiot".
(Han + Idiot)

55

Handiot?

What's with that
nickname?
Is he an idiot?

-

He is not an idiot.

He is ... unique.

What are you talking about?

?

Look, dude.
This eraser here
is 1 (one).

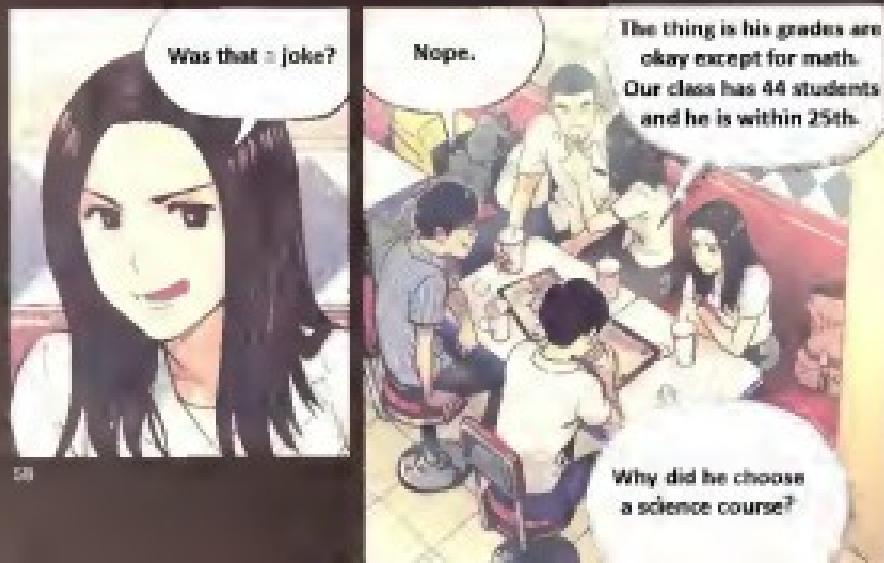

Now, I cut this in half.

This piece here,

It becomes $1/2$.

What I am saying
is ...

Allow me to borrow
his own words,
"Math is fun."

Talk about not
knowing himself.

Huh

He is one of the
world's great
mysteries.

Is he a close
friend?

I didn't think
you'd end up
being a teacher
here.

This place hasn't
changed one bit.

The dean
is your uncle,
right?

He remembered
me even though
I went here only
briefly during
senior year.

So, who is she ?

The woman you
were talking about ?

I made myself clear,
didn't I ?

I said I wasn't going
to do it !

What are you
talking about?

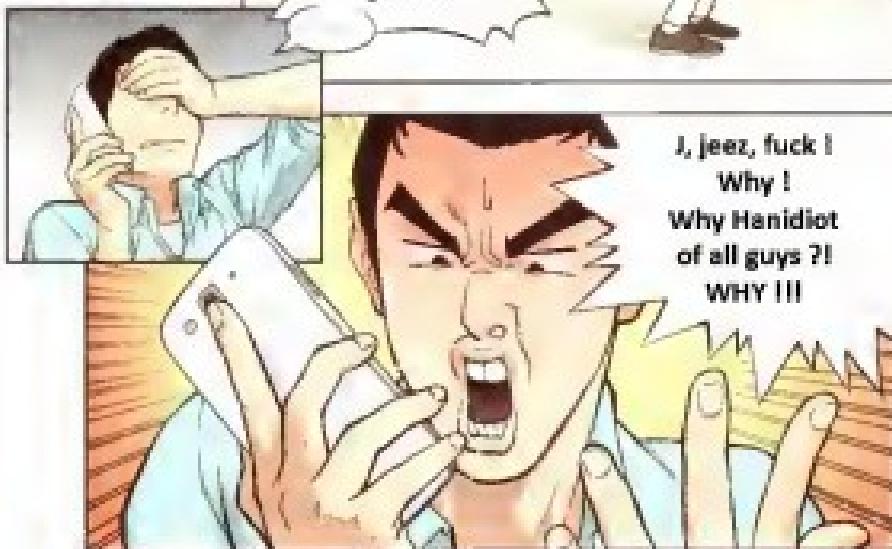

What the fuck ?!
Calm down and speak
Korean, fucker !

62

Handiot is here to
be introduced to
Eun-Ah !!!
(Fellow teacher)

So ?
Introduce her to him.

You looked completely drunk on that night.

Yeah, Handlist! How have ya been doing?!

Are your parents well also?!

You hung up on me earlier tonight!

Why are you so busy?!

Can ya talk now?!

Huh?!

Okay!

Where is Min-jeong?

She left.

I have a bigger favor to ask.

Nothing hard.

Ya see, I have this woman in my mind right now.

Ohhh, yeah, she's pretty! She's porn star pretty!

What the? Hey, that guy is out of control.

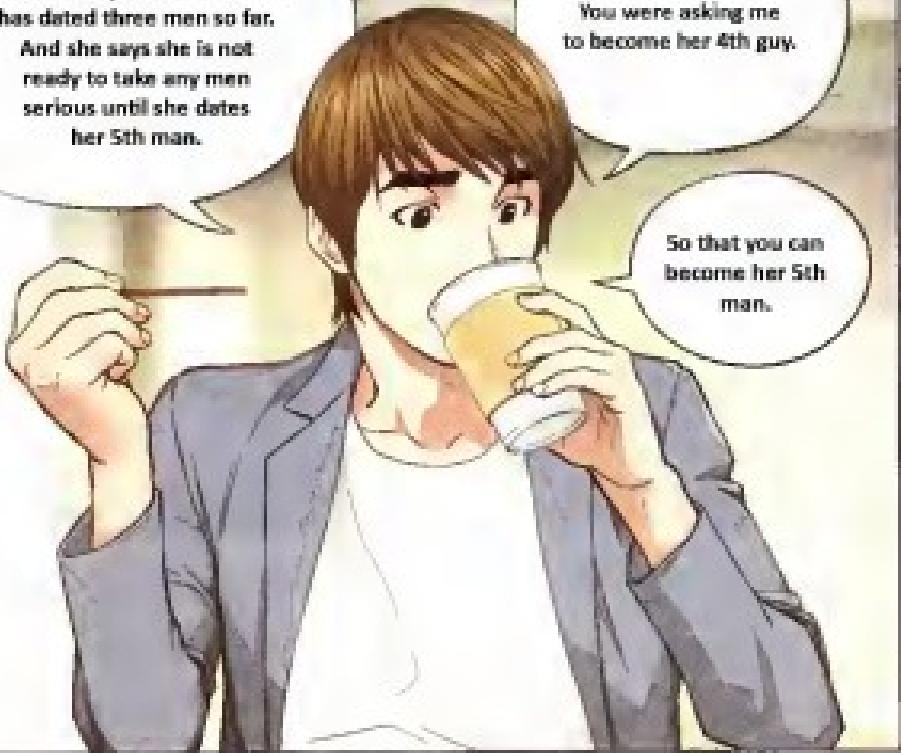

That's my phone give it back

The woman you are interested
has dated three men so far.
And she says she is not
ready to take any men
serious until she dates
her 5th man.

You were asking me
to become her 4th guy.

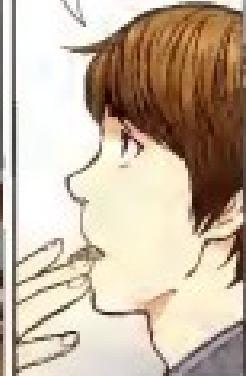

So that you can
become her 5th
man.

Did I say all that ?

Sure, you
did.

Oh, and there
were more ...

Listen, you can go out
with her. You can hold
her hands and so on.
But no skinship.

Am I going to date
a school girl?

NO! I
She's 27 years
old, jackass!

Virgin? She has never
married.

Anyway, that is
a really tough
favor to be asked.

For me, it's usually
sex first and
romance later.

YOU WANNA A
PIECE OF ME !
IS THAT IT ?!

YOU ARE
NOT GONNA
HAVE SEX
WITH HER !

NO KISS!
NO SEX!
PERIOD !

UNLESS YOU
REALLY WANT
A PIECE OF ME!

DO YOU?!

Your tongue is
not entering
her mouth !
Your thing is
not entering
her pussy!

SHE'S MINE !
YA HEAR DAT !
SHE IS MINE!!!

YOU JUST SEDUCE HER!

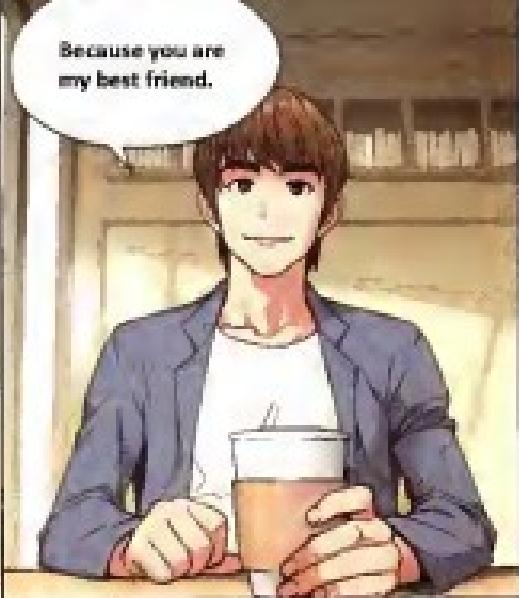

.... You said.

.... Dude, I gotta
quit drinking.

Fine, even so how can you just visit me suddenly like this ?

You should have called at least.

Because you are my best friend.

T ...

Thanks.

But ...

Haven't you thought that what I requested was ridiculous ?

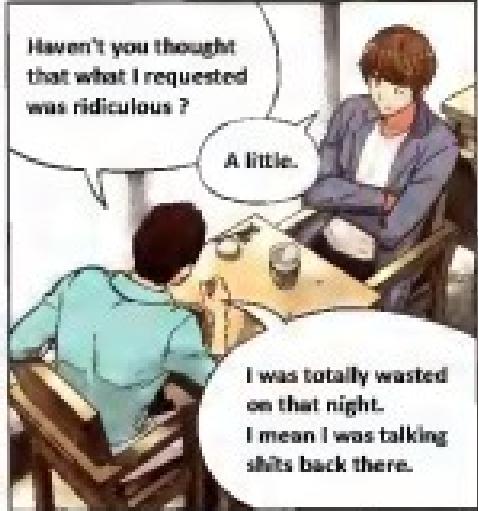

A little.

So, let's forget what happened on that night.

Let's just forget it even happened.

I was totally wasted on that night.
I mean I was talking shits back there.

And please don't tell anyone.

Doesn't really
matter to me.

But it was an excuse
to visit you.

I didn't feel like
going for it as well.

Phew, I am glad
that we both see it
the same way.

Sorry, dude.

Take care now.

Let's have a drink
some time soon.

Some time
soon?

I am here anyway,
so let's have a
drink tonight.

70

I still have few
classes to teach.

I will wait.

You leave on
10 o'clock, right?

Sure,
why not.

Hello~!

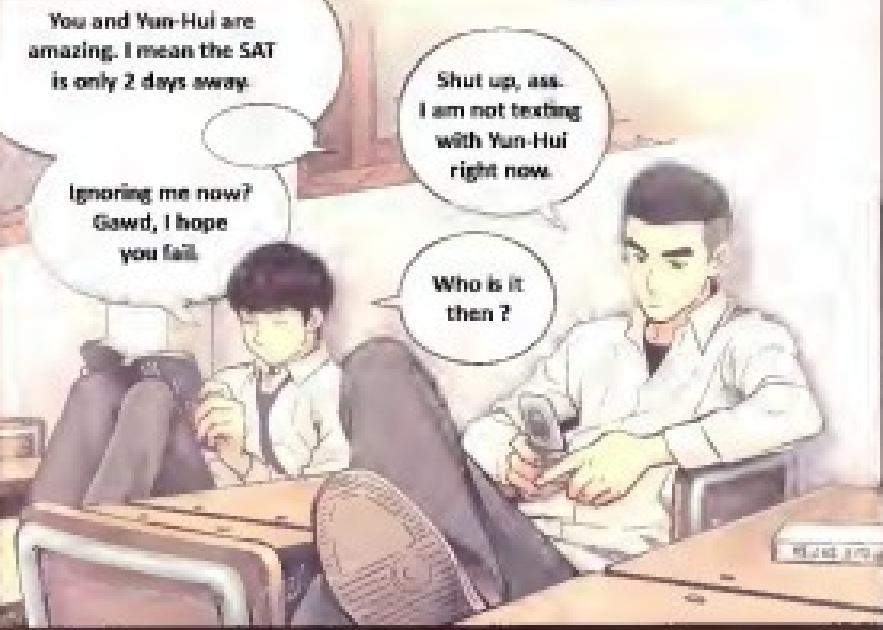

Jeez, stop
using Handlot's
phone. It's pretty
cheap to get your
own phone
nowadays.

It's out of battery
now.

You and Yun-Hui are
amazing. I mean the SAT
is only 2 days away.

Ignoring me now?
Gawd, I hope
you fail.

Shut up, ass.
I am not texting
with Yun-Hui
right now.

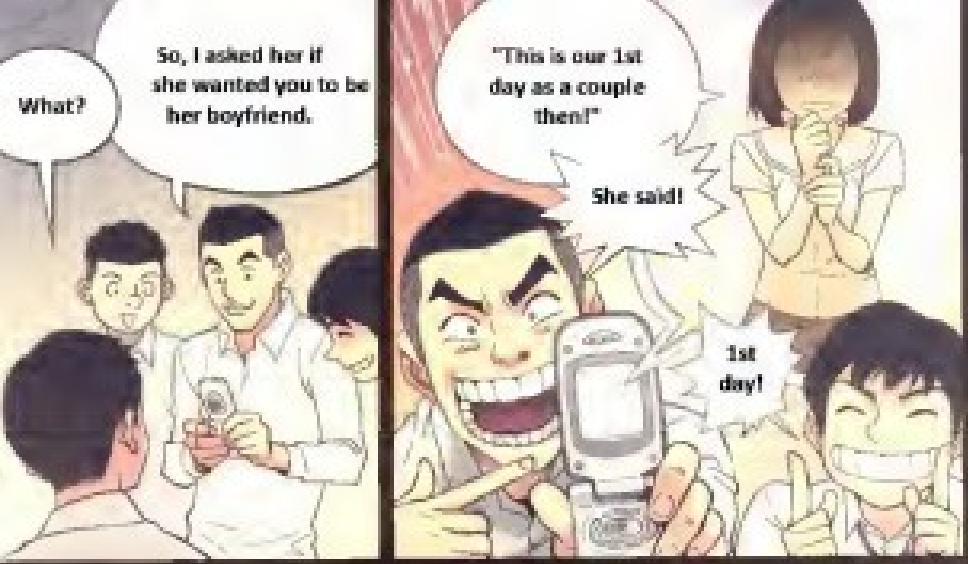

Who is it
then?

My friend's
younger sister.
why ?

Dude, this is pure comedy.

So, that girl
was...

This city is so
small.

Hahaha

So, the English teacher's
first love was Handlot?

That's
great!

That big idiot
over there
tied them up
the first time.
As if it wasn't
enough, he let
them meet again.

What a cupid
you are, dude !

Shut up, it was your idea to begin with!

True, but you made the call, jackass.

Yeah, yeah ...
I am the fool ...
Why why ...
Someone kill me ...

Well, even if
it was someone else,
Hanidot is -

Will you quit
talking about
Handiot ?!

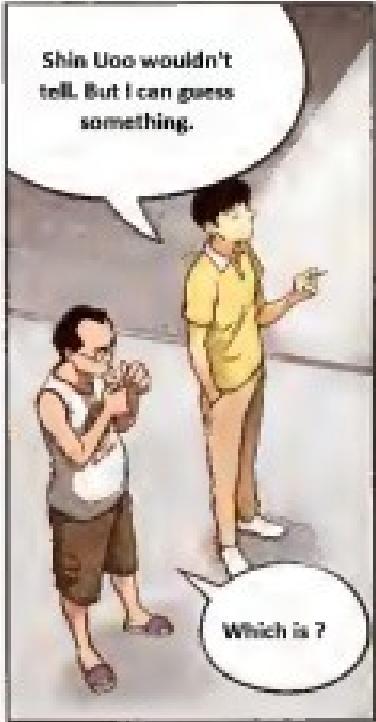

OK ! OK !

The meal is almost
done. Where are
you going ?

Skin-Uoo is too
sensitive. We are
going out for a
smoke.

Oh, nice,
green onion pie.
It's the best for
rainy days.

uh
oh
oh

Anyway, because he joined our class,
Shin Uoo's class number became
43 instead of 44.

Is that it ?

But then it's entirely
possible.

Shin Uoo had
kept 44 during fresh
and junior
years.

Cuz he really
is an Idiot.

And ...

Handlot got 90 (out of 100)
on math !

No way !

Hanriot did the overall exam very well. Can you guess his class rank by grade?

Can't be ...
but 4th ?

Yes.

Shin Uoo was 5th.

Holy
smokes !

So, he lost his number 4 and lost even by grade ...

I am just guessing here.

I suppose there is a real reason behind their breakup.

Did you give your instruction to Dong-Gun?

Can we stop talking about Handiot?

I was told that he got to hear all of your dirty plan? He doesn't know that your target is Eun-Ah though.

He could tell her jokingly, you know.

Shit, I am not sure. I did tell him, sort of.

They are not going to enter a relationship or anything.

But wasn't it their first relationship?

She wasn't Handiot's first love.

Oh, yeah?

Maybe.

Anyway ...

It doesn't matter. Handiot isn't a type who dwells on past girls.

Hey, how would you know that?

You can't be sure.

They've met again
after many
years.

And they do have
plenty of excuses
to get back together.

I am not sure about
Dong-Gun, but
Eun-Ah probably
thought about him
from time to time.

I heard girls don't care
much about their
first love.

55

Whether it's
boys or girls ...

Their first love they
meet again is
always dangerous.

재
O

Was it ?
I mean, in your
case.

I don't know,
you fool.

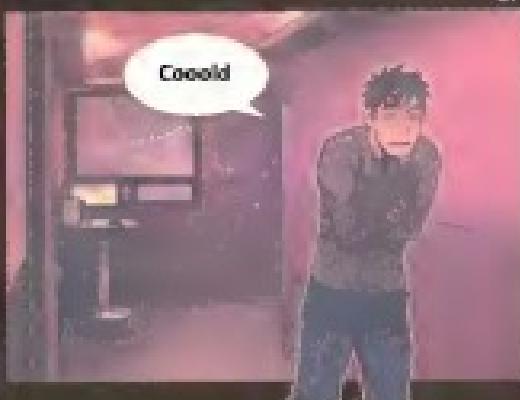

I was just glad
to see you on
that moment.

You were?

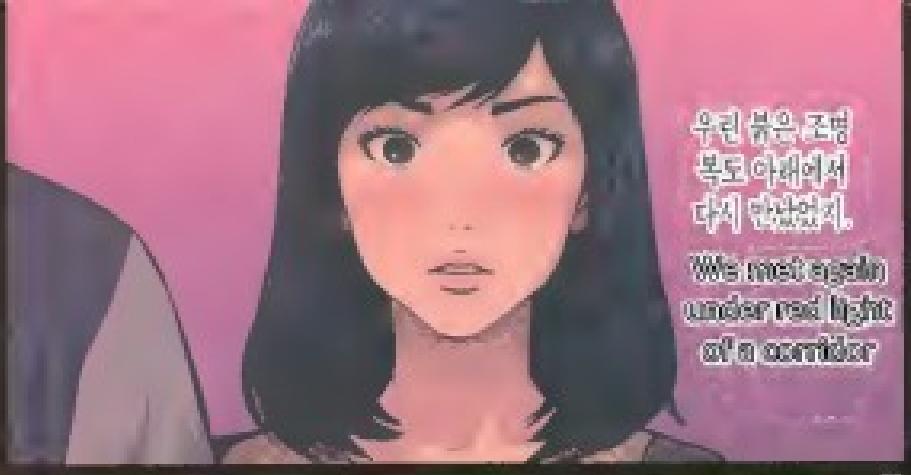

I felt like shit on
that moment.
